

Acts of Chapter Committee:

Focused on preparation for the Extraordinary Chapter. Members wrote letters to Chapter planners, participated in "ZOOM" conversations with sisters of other provinces, and organized two meetings for St. Paul sisters to review and discuss Chapter materials. Following Chapter, the Committee worked on implementing the new Acts of Chapter by encouraging sisters to increase communication with sisters in other provinces.

Focused on issues surrounding the Philando Castile's death and encouraged province to attend Fr. Bryan Massingale's lecture at St. Kate's. We worked with Consociate Bonnie Steele and "Come Together" to hold a prayer service and conversation with Sisters, Consociates, surrounding parishes, neighbors, and St. Kate's faculty and students on feelings about the police shootings of unarmed Black Persons and working for peace in our neighborhoods.
