

Community Assembly Saturday, April 13, 2019

Vision: The Community Assembly gathers people who share the passion for justice and spirituality of loving God and neighbor without distinction and continue the mission of Jesus in the world today.

Purpose: The Community Assembly promotes new ways of engaging with each other, partners, experts, and those directly impacted by social injustices in order to:

- develop and strengthen relationships among persons who intentionally live the CSJ mission;
- understand and support the unique ways individuals and groups are living the mission;
- engage in significant dialogue around the Acts of Chapter;
- educate ourselves about emerging needs and resources, and
- take action for justice and ministry within our local communities and the larger world.

Collection: Minnesota Center for Environmental Advocacy
