COMMUNITY ASSEMBLY

Racial Healing and Challenges in a Time of Covid and Protests

Saturday, 12 September 2020, 9am

Join the Community Assembly via Zoom Saturday September 12, 9-11 am. Gather at 8:30 to say hello and check technology. We will hear from three women of color who founded the MN Healing Justice Network which is on the front lines in Minneapolis working with communities of color around trauma and healing. We will also get an update about the CSJ Racial Justice Initiative, looking at our own white privilege.
